

This is a very special day for you and me ... come play with me and enjoy great food and frolic along the way. Just take my hand and follow. I've got a few surprises in store, and together we'll make our own magic.

It's been a thrill for me to have planned this adventure just for us—a celebration of 25 years together!

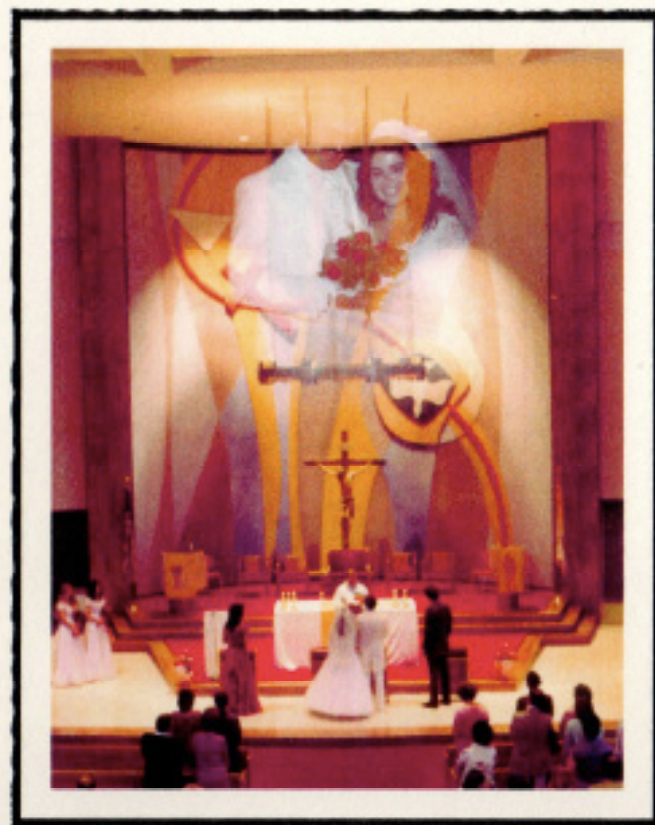

Love,

EARL

*No lookin' back now!*

*Happy 25th Anniversary!*
